 تاريخ:
Your English-speaking neighbors have gone away on holiday. They have asked you to water their plants and write down the messages that people leave on their answering machine.

Listen to the tape and write down the main ideas in each message.

Pay attention to the content of the message, who it is for, and who it is from.

Note: Read the checklist on page 5 before you begin working.

After you finish, read the checklist again and check each item.
Part One

Listen to the messages and write down the main ideas of each one.

Part Two

Now you are going to make up a message.

When it is your turn, throw the dice to find out who you are calling and the subject of your call. One die tells you who to call. The other has a word that you should include in your message.

Write down what the dice tell you. Tell your message to the rest of the class.

Remember to speak clearly in English.
